

# GOAL Project

A Global Addiction Recovery Partner not-for-profit

June 26, 2017

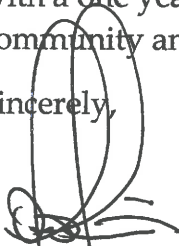

Dear Supporters,

You would think that our name says it all and in most respects, it does. GOAL Project relies heavily on volunteers to accomplish its good work. For over 20 years, volunteers have been the mainstay of our organization. We have weathered many different types of storms. However, our brand has become stronger and more relevant.

Currently, I am recruiting volunteers to serve on the board of directors of GOAL Project. As most of you know, non-profit volunteers are the gatekeepers of critical resources for the organization that provide the networking necessary to function within the community. We are asking for your help now.

Quite honestly, we could not do most of the work we do without community support. It is our intention to continue building our volunteer network. I would like to encourage you to contact us if you have an interest in service on our board. One day a month, with a one year of service commitment can make a significant difference in our community and in the lives of those we serve.

Sincerely,

Omar Henriquez
