November 20, 2017

To all who donate,

You made my day!

As I sat here this morning opening my email, I came across all your generous donations. I can't tell you how much I appreciate all your support. On behalf of GOAL Project, I would like to thank you for your contribution and continued financial support, which helps us continue in our mission to those in our community.

The generous support of individuals like you, makes it possible for our organization to exist and make the community a great place to live. Thank you once again for your kindness and generosity.

With gratitude,

Omar Henriquez, MHS
