Face Addiction with Intervention & Training for Healing

The Healing Journey From Losing Loved Ones to Addiction

Nov 13, 2020
10am—12 pm, ZOOM

You will gain a better understanding of ...

- Warning Signs
- The relationship between mental wellness and addictions.
- Moving through grief
- Setting boundaries and self-care
- Resources

Losing a loved one to addiction is an unspeakable loss. The healing process is especially hard because of the stigma attached to addiction and mental illness. “Survivors” often struggle with questions around...

- Will I ever feel joy again?
- I don’t feel grief but relief. Should I feel more grief?
- Were there things I could have done to save my loved one?
- How did mental health/illness contribute?
