Workshop Goal: Provide team members with the information, skills and resources to initiate, plan and implement a congregational addiction prevention and recovery ministry. Teams members receive two ministry guides.

As a result of this training, participants will be better able to:

- 1) Demonstrate team functioning;
- 2) Understand the five congregational ministry areas;
- 3) Initiate educational process within team & congregation;
- 4) Identify and start to work with community resources;
- 5) Develop an initial action plan; and
- 6) Utilize evaluation tools in measuring effectiveness.
